INVITATION TO ATTEND

This year’s Annual Clinical and Scientific Meeting will focus on the Next Generation of Health Care. An exciting program has been created that captures advances in research, cutting-edge topics, and innovation. The meeting will be held at the San Diego Convention Center on May 6–9, 2017.

The President’s Program will begin on Saturday morning at 8:00 AM with three excellent speakers who will address global health and advocacy. The Presidential Program speakers include, Herbert B. Peterson, MD, Neel T. Shah, MD and Guy Winch, PhD, who will also host a book signing at the ACOG Bookstore following his lecture.

Special events this year include the Welcome Reception, which will be Friday, May 5 from 6:00 PM – 7:30 PM on the lawn area outside of the Hilton Bayfront Hotel. The Mix and Mingle Alumni Reception and the Medical Student, JFCAC, and Young Physician Reception will be Sunday evening at the Hilton. The entire meeting will be packed with education, science, technology, networking, surgery and so much more!

The exhibit hall will have its grand opening at 10:00 AM on Sunday morning, with complimentary lunch in the hall that day. Coffee breaks will be held in the hall on Monday morning and afternoon, in addition to the reception following Convocation. Be sure to stop by the hall to learn about new products and devices important to your practice.

Postgraduate and Hands-on courses will close out the meeting, and will be offered Monday afternoon and Tuesday; they also provide attendees with an exceptional opportunity to learn both the fundamentals of and the latest advances in ob-gyn. I hope you’ll be able to attend one or two in addition to the clinical seminars, surgical tutorials, colloquia, and lunch events we have planned this year.

Melanie and I look forward to seeing you in San Diego, CA at the 2017 ACOG Annual Clinical and Scientific Meeting!

Thomas M. Gellhaus, MD, FACOG

JENNY AND KEITH WHITE ARE YOU SMARTER THAN A JUNIOR FELLOW SESSION

The session is a twist on the television game show “Are You Smarter Than a Fifth Grader.” But, in the ACOG version, two Young Physicians will square off against two more senior ACOG Fellows. Each will attempt to answer two rounds of questions and if they struggle their only lifeline will be a panel of the best and brightest Junior Fellow “classmates.” This session will be on Saturday from 4:30 PM – 5:30 PM.

DRS. CAMRAN, FARR, AND CEANA NEZHAT LIVE TELESURGERY FORUM

Featuring simple to advanced, Hysteroscopic and Laparoscopic with and without Robotic assistance.

SESSION TRACKS & TYPES

SESSION TRACKS:
- Obstetrics
- Gynecology
- Practice

SESSION TYPES:

**COLLOQUIA**
Colloquia are keynote lectures held throughout each day of the scientific program. Many of the sessions will feature debates covering current and controversial topics. These sessions are open to all meeting registrants.

**CLINICAL SEMINARS**
These 60-minute sessions are interactive lectures on topics of special interest with a course director leading the discussion. There is no additional fee to attend these popular sessions; however, registration is required.

**CUTTING-EDGE TOPICS**
This session features a panel of Presidents from subspecialty societies who will bring you up-to-date on the hot topics and current trends that have the most impact. This session is open to all meeting registrants.

**HANDS-ON COURSES**
These 3 and 6 hour courses provide a didactic and interactive (hands-on) component so participants can further immerse themselves in learning. Additional fee. Lunch is provided for 6 hour courses only.

**FILM FESTIVAL**
The Film Festival will present a select number of films showcasing various procedures and research in the advancements of the field of obstetrics and gynecology. This session is open to all meeting registrants.

**FLIPPED CLASSROOM**
The Flipped Classroom is a new style of adult learning that features interactive and comprehensive learning and retention. Registrants will receive video and supplemental materials prior to the session to review. This enables the session to focus on more memorable content. There is no additional fee to attend these popular sessions; however, registration is required. Pre-meeting materials will be sent to you for review.

**LUNCH SEMINARS**
In this forum, attendees enjoy a box lunch while listening to topics of particular clinical importance to their practice. Additional fee of $55.00.

**LUNCH CONVERSATIONS**
Enjoy stimulating, professional exchanges during lunch. Subjects of special interest will be the focus of these small group discussions. Each group is limited to 9 attendees in addition to the discussion leader. Additional fee of $55.00.

**POSTGRADUATE COURSES**
Clinically oriented 3 and 6 hour courses taught by leading experts in the field. Because learner participation is a valued part of each course, opportunities for interaction between participants and faculty are built into the program. Additional fee. Lunch is provided for 6 hour courses only.

**SURGICAL TUTORIALS**
Surgical Tutorials will incorporate the use of slides, video, case-based formats, and interactive demonstrations. There is no additional fee to attend these popular sessions; however, registration is required.

**SUBSPECIALTY SOCIETY SESSIONS**
These sessions are presented by subspecialty societies and are geared towards the practicing ob-gyn. There is no additional fee to attend these popular sessions; however, registration is required.
2017 Meeting Objectives

At the conclusion of the 2017 Annual Clinical and Scientific Meeting, participants should be able to:

- Identify the next generation of health care.
- Describe whether egg freezing should be a routine offering in clinical practice.
- Cite pros and cons of whether birth control options should be over the counter.
- Describe the use of electrosurgery in gynecologic surgery.
- Describe the different approaches to hysterectomy including robotic vs. laparoscopic.
- Describe the USPSTF guidelines for breast cancer screening.
- Discuss whether routine cystoscopy should be done at the time of hysterectomy.
- Describe strategies for use of cosmetic gynecology.
- Discuss if we should abandon the diagnosis of cervical insufficiency.
- With impact to patient safety, be able to differentiate primary approach to pelvic pain be via Medical Management or Surgery.
- Describe how sexual dysfunction and menopause interrelate.

During this exciting 3 hour CME approved live televised session we plan to demonstrate a variety of the most common surgical procedures with audience participation. The primary goal is to show methods of performing effective and safe minimally invasive gynecologic surgery. Surgeries will be broadcasted from different locations.

Topics of discussion: laparoscopic surgeries with and without robot assistance for hysterectomy, myomectomy, ovarian cystectomy, treatment of endometriosis, pelvic prolapse; and hysteroscopic procedures including septum, myoma, and adhesions.

The most practical and economical room set ups will also be shown and discussed. Anesthesia, questions and concerns will be addressed based on time and occasion.

Youth Tour #1- “Tall Ships and Midway”

Ahoy mates! Today we will take trip to the San Diego Maritime Museum and the Tall Ships where we will get to experience a little about sea life. We’ll open a window into history with exhibits, ship models, demonstrations and interactive activities for all.

These children will participate in “Hot and Steamy”, a special program where they will have the opportunity to climb inside one of the oldest working steam engines aboard the 1898 steam ferryboat Berkley. They will learn about steam engines with interactive exhibits and then have the opportunity to power and race their own small steamboats that they take home.

Next we will visit the famous Midway Carrier. Prepare yourself for a lifetime memory aboard the Midway. You'll explore a floating city at sea and relive nearly 50 years of world history aboard the longest serving Navy aircraft carrier of the 20th century.

“TALL SHIPS AND MIDWAY” SPECIFICATIONS:
- Roundtrip Motor Coach Transportation
- Uniformed ACCENT Field Trip Manager
- Uniformed ACCENT Camp Counselors
- Admission to San Diego Maritime Museum & Tall Ships
- Admission to Midway Carrier

San Diego City Tour with Old Town

San Diego, the second largest city in California, is filled with rich history, world-class attractions, beautiful beaches and bays, and charming, eclectic neighborhoods. Board a deluxe motor coach, sit back and relax as your knowledgeable tour guide takes you through the famous sites of San Diego. From Old Town, to the Gaslamp Quarter, one of San Diego’s most eclectic areas, to the magnificent “island” of Coronado, this tour will provide you with a taste of it all.

Visit Old Town, the birthplace of California, on a self guided walking tour that will take you past many historic venues. Replicas of old artifacts and recreations of historic buildings in Old Town State Historic Park offer a glimpse back in time. Then stroll through the Victorianstyle Heritage Park to admire the historic houses, all of which were moved here by the Save Our Heritage Organization in an effort to restore the beautiful architecture.

Whether you’ve been to San Diego before or not, this is a great way to immerse yourself in the California culture and learn about the many facets that make up this peaceful paradise of a city.

Coronado Walking Tour

Rich in history, natural beauty and a charming ocean village atmosphere, Coronado is most deserving of its royal ‘nickname’ - the Crown City. Bordered by the Pacific Ocean, Glorietta Bay and San Diego Bay, this picturesque seaside city is linked to the Southern California coastline and the city of San Diego by the graceful and stately San Diego Coronado Bridge, and to the south by a narrow strip of land known as the Silver Strand.

Enjoy Coronado’s beautiful architecture and colorful history during a narrated walking tour. Beginning at the Hotel del Coronado’s clock tower, ‘The Del,’ more than 100 years old, sits on one of the most beautiful beaches along the Pacific Ocean. Her guest book reads like a ‘Who’s-Who’ history book and has been the setting for many famous movies.

Next, visit Wallis Simpson’s home (the Duchess of Windsor); the home of Frank Baum, author of the ‘Wizard of Oz’; the sugar magnate John Spreckels’ Mansion; and other notable celebrities. Time is allowed to browse among the quaint shops, cafes and galleries along Orange Avenue or to take a stroll along the sandy beach, the best seashell beach in San Diego. Whatever the choice, exploring the island is a relaxing way to spend the day.

**ACOG Associate Member:** Any physician who has given valuable service in obstetrics and/or gynecology and who is not eligible to be a Fellow. Practicing board-certified physicians of other specialties in the geographic confines of ACOG may apply for membership under this category. Practicing osteopathic board-certified ob-gyn physicians in the geographic confines of ACOG may apply for membership under this category. Practicing non-board-certified ob-gyns in the geographic confines of ACOG may apply for membership under this category. Processing of completed applications may take four months. Incomplete applications may take longer. ACOG admits and activates qualified candidates on a monthly basis.

**ACOG Educational Affiliate:** An individual in a medical education or training program that would not qualify for physician membership or a certified health care professional may apply. Applicants must provide patient care. Processing of completed applications may take two to four weeks. Incomplete applications may take longer.

**Resident, Non-Member:** A graduate and licensed physician receiving training in a specialty in a hospital and is not a member of the College.

**Physician, Non-Member:** A physician who is not a member of the College and who provides direct women’s healthcare clinical services to patients.

**Other Healthcare Professional:** An individual who provides hands-on, direct patient healthcare services or is engaged in women’s healthcare research and who is not in any of the membership categories of the College or is not a physician. These individuals may include, but are not limited to, nurses, midwives, physician’s assistants, sonographers, radiology technicians, etc. This category does not include individuals who work for medical industry companies.

**Medical Student:** An individual currently enrolled in medical school (MD, DO) at an accredited institution. Not open to other types of students. Processing of completed applications may take one to two weeks. Submission of your application is done electronically. Medical students must show identification from an accredited institution when their registration packets are picked up onsite.

**Spouse/Guest:** Is defined as a spouse, significant other, friend, or an adult child age 18 or older who wishes to attend the meeting but does not wish to receive continuing medical education (CME) credits or cognates. An exhibitor, co-worker, or an associate of an exhibitor does not qualify for the guest registration category. A registered spouse or guest is allowed to attend the colloquia sessions, the Welcome Reception and to visit the exhibit hall. They are eligible to purchase tickets for spouse/guest program activities. Registration must be indicated on the ACOG Advance Registration Form. Spouse/guest and adult family members who wish to register for courses and receive CME credits or cognates must register in the appropriate registration category listed above.

**ACOG Honorary Fellows:** Honorary Fellows are individuals of outstanding achievement in the field of obstetrics and gynecology, or in an allied discipline, from any country and are selected by the Executive Committee of the Executive Board. They must have obtained national and international recognition (achieved distinction and recognized for a leadership position by being elected president or a senior officer of a national or international obstetrical and gynecological society or organization) and should have a relationship with U.S activities involving women’s health care. ACOG Members are ineligible for Honorary Fellowship.

**Practice Manager:** A practice manager is a management professional who coordinates all functions of a private practice.

**One-Day Registrant:** One-day registration is available for ACOG members, non-members and press. One-day registrants can only attend sessions and purchase tickets for events being held on the day they register. Additional one-day registrants are available online.

### What is the Virtual Meeting?

The Virtual Meeting provides attendees with “open access” to most meeting materials after the Annual Meeting. It includes postgraduate courses, clinical seminars, lunch seminars, surgical tutorials, subspecialty sessions, and colloquia lectures. Presentations can be downloaded and will be synced to the audio from the meeting sessions. * This is a great way to capture all of the information from the meeting even if you were unable to attend some of the lectures. Take advantage of this special option today. The Virtual Meeting can be purchased for $199 in addition to your registration. The option will also be available onsite but at double the cost.

### Step 7. Payment Information

Payments must be made in US dollars. Wire transfers are not accepted. Make checks payable to ACOG.

Total Registration Fees (Step 5): $ ________________
